

### **Anup Vittal**

Managing Director and  
Member of the Board  
Safran Engineering Services, India

An Aerospace & Defense industry veteran with 26+ years of global work experience in both Private and Government sectors, Anup is today the Managing Director and Member of the Board, at Safran Engineering Services India, part of the Safran Group. Safran is a global high-technology group focused on Aerospace, Defense and Security. Headquartered in Paris, France, the Safran Group companies include Safran Aircraft Engines (ex-Snecma), Safran Electronics & Defense (ex-Sagem), Safran Helicopter Engines (ex-Turbomeca), Safran Landing Systems (ex-Messier Bugatti Dowty), Safran Electrical & Power (ex-Labinal Power Systems), Safran Identity & Security (ex-Morpho), etc.

Anup is directly responsible for Safran Engineering Services India (SESI), which is the largest Offshore Engineering Services Business Unit of the Safran Group. Based out of Bangalore, SESI showcases the Safran Group's expertise in Integrated Propulsion Systems, Aerostructures, Electrical and Power Systems, Integrated Systems (including Avionics and Embedded Systems), Manufacturing Engineering and "In Service Support" (including Technical Publications). SESI is a key element in Safran Group's strategy for India and the region.

Prior to joining the Safran Group, Anup has held various leadership roles in multiple countries & locations, at IBM, Infosys, Honeywell and DRDO (Ministry of Defense, Govt. of India). His professional experience covers General Management, Engineering Services, Full P&L responsibility, Profit Center and Cost Center Management, Strategy & Business Planning, Business Development, Outsourcing & Global Delivery.

Anup is a Certified Professional Consultant, and Member IEEE (Aerospace and Electronic Systems Society). He holds a Masters Degree from Mysore University, India, and a Certificate in Executive Leadership from Cornell University, USA. He speaks multiple languages (English, Kannada, Hindi, Bengali & German), and is a regular Invited Speaker and Panelist at industry and trade events.
