- Best Emerging Private University
- Best Emerging Engineering College

Indian Technology Congress 2017 provides Deemed Universities / Private Universities / Technical Institutions a unique opportunity to compete for the prestigious ITC 2017 Academic Excellence Awards to be presented to educational institutions that have performed exemplarily well in various domains of education related activities.

The Awards will be presented at the colourful Valedictory Function of ITC in the presence of a galaxy of scientists, corporate leaders, political luminaries.

The Awards comprise of a Citation and Felicitation to the Chancellor/Vice Chancellor/ President/Secretary of the educational institution.

These Awards will be given based on the data provided by the participating institutions in the prescribed format.

This award is open to all institutions which have recorded demonstrated progress in the areas of research and publications, patents, organization of National/ International seminars/ workshops and conferences and FDPs, Quality of academic infrastructure- labs, library – digital library

Number of Doctorates available on rolls, Teaching and Research Experience of faculty members, Ability to retain faculty members, Good HR practices like payment of UGC Scales, PF and other benefits to employees and good governance systems.

ITC Excellence Awards will be a testing ground for accreditation of technical institutions which are planning to go for accreditation and a record of testimony for sustained growth and progress for already accredited institutions.
