

PRE CONFERENCE OPPORTUNITIES

Indian Technology Congress

Industry 4.0 - Engineering the Interface with Real World

10-11 August 2017, NIMHANS, Bangalore

PRE CONFERENCE OPPORTUNITIES FOR
DEEMED UNIVERSITIES/ PRIVATE UNIVERSITIES
AND TECHNICAL INSTITUTIONS

Indian Technology Congress 2017 provides Deemed Universities / Private Universities / Technical Institutions a unique opportunity to organize Pre Conference Workshops / Seminars / Conferences / Faculty Development Programs at their respective places with the same grandeur and size of ITC 2017.

The Organizers of ITC 2017 strongly believes in taking the Congress across the country by making a maximum number of educational institutions of excellence to take part in Technology Congress by organizing various events on the eve of ITC 2017.

Under this unique innovative initiative ITC provides all support to partnering organizations in organizing a National Level event along with ITC 2017 which happens in Bengaluru.
